9 UNIVERSITIES GRADUATE HISTORY MAKERS JOURNEY IN 1ST QUARTER 2026

By Alfred Kalembo

March, 2026

The passion of university students to reach their fellow students with the International Leadership Institute's transformative History Makers Journey leadership training continues to grow. In the first quarter of 2026, a total of 303 students in nine different universities were trained in the ILI's Eight Core Values.

Currently, four cohorts are in session. In Lusaka, at Levy Mwanawasa Medical University, Cavendish University Main campus, Cavendish university medical campus and in Kabwe at Mulungushi university.

The Macedonian Call

"During the night Paul had a vision of a man of Macedonia standing and begging him, saying, "Come over to Macedonia and help us." After Paul had seen the vision, we got ready at once to leave for Macedonia, concluding that God had called us to preach the gospel to them" (Acts 16: 9-10).

Last week I received the following letter from Lesotho.

We are truly thankful to Ivy for her testimony to her fellow young people and the invitation we have received from Lesotho, her homeland.

This is truly a modern "Macedonian Call". Who will help LIZA respond to this call? We are ready to go to Lesotho and teach History Makers Journey leadership training

Dear Bishop Dr. Kalembo

RE: INVITATION TO TRAIN SCOUTS LEADERS IN LESOTHO

Greetings from Lesotho.

We have received a wonderful testimony of how impactful your leadership training is from our own Relebohile Ivy Nkofo who is studying at Cavendish University Zambia. This letter serves to invite Leardership Institute of Zambia to come and train 30 Scouts in Maseru, Lesotho from the 08th to 12th July 2026.

We will be very grateful if you will be able to send a team of facilitators to us.

Looking forward to your positive response.

Sincerely,

Khotso Khalanyane

'A proud LIZA product'

Emmanuel Kasoma attended the first cohort of History Makers Journey at the University of Lusaka (UNILUS). The training gave him confidence to run for the presidency of the UNILUS School of Medicine (UNILUSSOM) and Chairperson of the Leadership Institute of Zambia Students Association (LIZASA) at the university. He got both positions.

Recently, our Republican President Hakainde Hichilema, popularly known as HH, officially opened the University of Lusaka Silverest Campus and Teaching Hospital. The President was also awarded an Honorary Doctorate degree by the university.

At that event, Emmanuel walked alongside President HH and Chongwe Member of Parliament Sylvia Masebo, and gave a vote of thanks on behalf of the students.

Here is Emmanuel's testimony: "I am a proud LIZA product. LIZA brought out the confidence in me to aspire for what I wanted to be and now look where its taking me. God bless LIZA, ILI and LIZASA."

COBUSU President welcomes LIZA

In the first week of April 2026, Muumbe and I were privileged to host Given Chipewo, president of the Copperbelt University Students' Union (COBUSU), in our Lusaka home.

We had a wonderful time sharing the vision about how important young people are in the development of our nation. We also shared the passion of the Leadership Institute of Zambia's commitment to developing God-fearing leaders through our History Makers Journey training, in partnership with the International Leadership Institute (ILI)'s Eight Core Values.

Given was pleased to note that LIZA has already graduated three cohorts of History Makers Journey spearheaded by the Leadership Institute of Zambia Students' Association led by Matthews Chiwanda and Wesley Mweene.

He also expressed delight with what LIZA was already doing at the Copperbelt University and welcomed the association's continued collaboration with COBUSU to provide the History Makers Journey training. We are truly grateful to the COBUSU president for opening this door of impacting the young leaders of today and tomorrow.
